

# Minister of Music

**Shepherd of the Hills Mission: To know Christ and to make Him known.**

**Position description:** The Minister of Music at Shepherd of the Hills is called to join in the advancement of the Gospel of Lord Jesus Christ by creating, organizing and collaboratively leading Spirit-filled worship.

**Position goal:** At Shepherd of the Hills, we glorify God. Our worship is sacred, participatory, and musical. The Minister of Music helps create flourishing, Spirit-filled worship experiences in traditional and contemporary settings. Flourishing worship is a symphony of many parts and styles coming together. Our worship staff and ministries aim to glorify God through crafting services together.

**Accountability:** The Minister of Music reports to the Senior Pastor.

## Required Skills:

- Proficiency in an instrument (i.e. piano, guitar)
- Experience leading worship teams and leading worship
- Accomplished vocalist

## Key Ministry Areas:

### 1. **Worship and Collaboration: create, organize and collaborate in the designing of worship that glorifies God**

- Collaborate in the development of weekly worship services.
- Collaborate in the theme development and advanced planning for future worship.
- Introduce and teach new hymns and worship songs.
- Collaborate in the development and production of special services (weddings, funerals, healing, Advent, Lent, holiday, and special worship events).
- Prepare and lead special productions for Advent/Christmas and Lent/Easter seasons.

### 2. **Music Leadership and Oversight: leading and guiding all music ministries and worship services**

- Lead and direct the Praise Team, Choir and Bell Choir in worship.
- Build up the music ministry by encouraging, recruiting, and training God's people to serve on the Praise Team, Choir, Bell Choir, or as cantors and soloists.
- Develop each music team/ministry in the practice of prayer and growing discipleship as you do yourself.
- Create and manage the music budget.
- Identify and utilize outside resources and for-hire musicians when needed.
- Maintain and upkeep the musical resources.
- Manage all music-related administrative functions.
- Collaborate and direct the audio and video ministries to enhance worship.
- Provide pastoral care to those under your care.
